Commissioner:

On April 4, 2005, Applicants filed a Petition for Revival of an International Application for Patent Designating the United States Abandoned Unintentionally under 37 C.F.R. § 1.137(b) in the above-referenced international application (the "First Petition"). On June 20, 2005, the Office mailed a Decision dismissing the First Petition due to Applicants failure to pay the

national filing fees. Applicants complied with all other requirements for revival of the above-referenced international application, including a statement that the entire delay was unintentional, a statement that no terminal disclaimer was required since the international application was filed after June 8, 1995, and payment of the \$750.00 petition fee. For the convenience of the Office, Applicants submit herewith a copy of the First Petition is attached as Appendix A.

Pursuant to the statements of the Decision, Applicants submit this Renewed Petition for Revival of an International Application for Patent Designating the U.S. Abandoned Unintentionally Under 37 CFR 1.137(b) filed 04 April 2005 (the "Renewed Petition"). Together with this Renewed Petition, Applicants submit a proper reply in the form of a Transmittal Letter to the United States Designated/Elected Office Concerning a Submission Under 35 U.S.C. 371 and the required national filing fees.

Applicants believe that they have now met all the requirements for revival of the above-referenced international application, and such favorable action is respectfully requested.

It is believed that no fee is due; however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason, the Commissioner is authorized to deduct said fees from Fulbright & Jaworski L.L.P. Account No.: 50-1212/UTSC:857US.

Respectfully submitted,
